

Mosaic Art, Design and Techniques:

A one-year Saturday morning art course

SEMESTER 1 DATES:

25th July – 18th November 2011

SEMESTER 2 DATES:

To be added

NOTE: You are not obliged to enrol in both semesters.

WHERE:

747 Darling St, Rozelle, NSW, 2039

TIME:

Saturday mornings 8:30am – 12:30pm

DURATION:

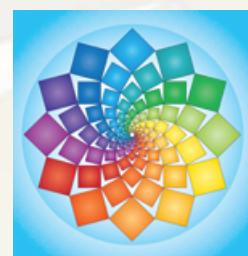

1 year course consisting of 2 semesters

COST:

Introductory fee of \$1200 per semester

In the two semesters you will:

- Create several small mosaics works and one large mosaic project
- Lead a small community project
- Have many sample works: E.g. grout sample boards, colour wheel boards, classical tile cutting boards & many more
- Develop your technical knowledge and know how to mosaic for outdoors, wet areas and a variety of different substrates
- Develop your skills of designing specifically for mosaics – that means more than just a drawing
- Create mosaics that are flat, 2-D and 3-D designs with materials including: glass, unglazed and glazed tiles, marble, smalti, mineral rocks... and more
- Be given many resources about mosaic artists and their creative process through podcasts, interviews and DVD's
- Learn various fabrication techniques (direct, indirect, semi direct) and about the different types of adhesives and when to use them
- Learn colour theory through a series of exercises to be better able to make colour choices. These exercises are designed specifically for mosaic art.
- Develop your drawing skills
- Be inspired by visiting guest teachers, local practicing artists and international visiting artists offering insights, new techniques and sharing their working practice.
- And finally, your mosaic art portfolio will be bursting with creativity, ideas, new knowledge, inspiration and stories from past and contemporary mosaic artists.
